Re: Metro Container Corporation

Dear Mr. Falkin:

This will confirm our telephone conversation of June 15, 1988 during which we discussed the letter dated June 10, 1988 sent by the EPA to Mr. Sidney Levy, President of Metro Container Corporation. Pursuant to our conversation, I understand that despite the deadlines suggested in the letter, Metro Container shall have until the time of a meeting between it and EPA, which is to be scheduled by Diane Ajl, Deputy Regional Counsel for EPA, concerning negotiation of a Consent Order, to complete the Financial Statement of Corporate Debtor. With regard to the documents and information requested concerning suppliers of Metro Container, I understand that Metro Container shall have at least two (2) weeks subsequent to this meeting to provide that information.

Again, I suggest to you that it may be easier and more efficient for all parties involved if Region 3 officials view the documents requested in the letter at Metro Container's office in Trainer, Pennsylvania. Please inform me of EPA's intentions in that regard.

Very truly yours,

*Laura Davis Jones*
